

## Lilium Announces FY and Q4 2023 Shareholder Letter and Webcast on February 27, 2024

February 14, 2024

MUNICH, Germany, Feb. 14, 2024 (GLOBE NEWSWIRE) -- Lilium N.V. ("Lilium" or the "Company") (NASDAQ: LILM) today announced that it plans to release its Full Year and Fourth Quarter 2023 Shareholder Letter on **February 27, 2024**, before market open.

The Company will host a conference call that same day at **8:00 a.m. Eastern Standard Time**. To access the webcast of the call, please visit the Lilium investor relations website at <https://investors.lilium.com>.

To facilitate communications with the wider investor base, Lilium is partnering with Say Technologies to allow retail and institutional shareholders to submit and upvote questions, a selection of which will be answered by Lilium management during the conference call.

Starting today, February 14, 2024 at 8:00 am Eastern Standard Time, all shareholders can submit questions by visiting: <https://app.saytechnologies.com/lilium-2023-q4>. This Q&A platform will remain open until 24 hours before the start of the conference call. Shareholders can email [support@saytechnologies.com](mailto:support@saytechnologies.com) for any support inquiries.

### **About Lilium**

Lilium (NASDAQ: LILM) is creating a sustainable and accessible mode of high-speed, regional transportation for people and goods. Using the Lilium Jet, an all-electric vertical take-off and landing jet, designed to offer leading capacity, low noise, and high performance with zero operating emissions, Lilium is accelerating the decarbonization of air travel. Working with aerospace, technology, and infrastructure leaders, and with announced sales and indications of interest in Europe, the United States, China, Brazil, the UK, the United Arab Emirates, and the Kingdom of Saudi Arabia, Lilium's 950+ strong team includes approximately 500 aerospace engineers and a leadership team responsible for delivering some of the most successful aircraft in aviation history. Founded in 2015, Lilium's headquarters and manufacturing facilities are in Munich, Germany, with teams based across Europe and the U.S. To learn more, visit [www.lilium.com](http://www.lilium.com).
