The press release is furnished as Exhibit 99.1 to this Report on Form 6-K.

### **Incorporation by Reference**

The first paragraph of the Explanatory Note above is hereby incorporated by reference into Liliium’s registration statements on Form F-3 filed with the U.S. Securities and Exchange Commission (“SEC”) on September 18, 2023 (File No. 333-274550), June 9, 2023 (File No. 333-272571), February 3, 2023 (File No. 333-269568), November 25, 2022, as amended or supplemented (File No. 333-268562), and October 3, 2022, as amended or supplemented (File Nos. 333- 267718 and 333-267719), and Liliium’s registration statement on Form S-8 filed with the SEC on November 18, 2021 (File No. 333-261175).

### **Forward-Looking Statements**

The information contained in this Report on Form 6-K and the Exhibit attached hereto contain certain forward-looking statements within the meaning of the U.S. federal securities laws, including, but not limited to, statements regarding (i) Liliium N.V.’s and its subsidiaries (collectively, the “Liliium Group”) proposed business and business model, (ii) the markets and industry in which the Liliium Group operates or intend to operate, (iii) the expected features and specifications of the Liliium Jet, (iv) the anticipated timing of the commercialization and launch of the Liliium Group’s business in phases, including the expected timing for the first manned flight, receiving type certification, and initial deliveries of the Liliium Jet and (v) the Liliium Group’s partnership with ArcosJet and the prospective sale of Liliium Jets in the UAE, Israel, the Republic of Cyprus, and globally. These forward-looking statements generally are identified by the words “anticipate,” “believe,” “could,” “expect,” “estimate,” “future,” “intend,” “may,” “on track,” “plan,” “project,” “should,” “strategy,” “will,” “would” and similar expressions. Forward-looking statements are predictions, projections, and other statements about future events that are based on management’s current expectations with respect to future events and are based on assumptions and subject to risks and uncertainties that are subject to change at any time. Actual events or results may differ materially from those contained in the forward-looking statements. Factors that could cause actual future events to differ materially from the forward-looking statements in this Report on Form 6-K and the Exhibit attached include (but are not limited to) the risk that Liliium experiences delays in obtaining, or fails to obtain, type certification for the Liliium Jet in Europe, the United States and/or the other markets in which it conducts or intends to conduct sales activities, as well as those risks and uncertainties discussed in Liliium N.V.’s filings with the U.S. Securities and Exchange Commission (the “SEC”), including in the section titled “Risk Factors” in Liliium N.V.’s Annual Report on Form 20-F for the year ended December 31, 2022, on file with the SEC, and similarly titled sections in Liliium N.V.’s other SEC filings, all of which are available at [www.sec.gov](http://www.sec.gov). Forward-looking statements speak only as of the date they are made. You are cautioned not to put undue reliance on forward-looking statements, and the Liliium Group assumes no obligation to, and does not intend to, update or revise these forward-looking statements, whether as a result of new information, future events or otherwise.

**ArcosJet Appointed Authorized Dealer for Lilium Jet in the Middle East**

**Dubai, United Arab Emirates, October 31, 2023:** Lilium N.V. (NASDAQ: LILM), developer of the first all-electric vertical take-off and landing (eVTOL) jet, has signed an agreement that appoints ArcosJet DMCC (“ArcosJet”), a Dubai-based leader in business aircraft brokerage, as the exclusive authorized dealer for private sales of the Lilium Jet in the United Arab Emirates (UAE), Israel, and the Republic of Cyprus. The agreement includes a commitment fee payment to Lilium and grants ArcosJet exclusivity on private sales. With this agreement, ArcosJet becomes Lilium’s first reseller in the Middle East and its fifth dealer globally.

ArcosJet and Lilium intend to jointly announce further details of their partnership at this year’s Dubai Airshow, which is taking place from November 13<sup>th</sup> to November 17<sup>th</sup>. The companies also plan to jointly showcase the Lilium Jet at the event.

“At ArcosJet, we appreciate Lilium’s mission as we see tremendous potential in the emerging eVTOL market—especially for jet-powered aircraft, and we are grateful that Lilium is partnering with us. We are sure that combining our experience in selling conventional aircraft with the economic and sociodemographic characteristics of UAE, Israel, and the Republic of Cyprus can result in the region becoming a leader in the sales and operation of the revolutionary Lilium Jet,” commented Mikhail Alenkin, ArcosJet Founder and CEO.

Sebastien Borel, Chief Commercial Officer at Lilium, says, “The Middle East offers tremendous opportunity for eVTOLs and we are proud to add a reliable and experienced partner to sell and operate the Lilium Jet in the region. ArcosJet has an impressive portfolio of successful deals, profound knowledge within aircraft fleet management and a huge network of industry connections to help drive firm orders of our eVTOL jet. A new era of sustainable aviation is coming and we are proud to be blazing the trail here alongside our new partners who support our aspirations toward new technologies and markets.”

The Lilium Jet is an all-electric vertical take-off and landing jet. It is designed to offer leading capacity, a low noise profile, high performance, zero operating emissions, and is purpose-built for regional connectivity. The Lilium Pioneer Edition Jet is the first planned model of the Lilium Jet and will comfortably seat four passengers, with an estimated non-stop flight range of 175 km and speed of 250 kph. The first manned flight for the type-conforming aircraft is scheduled for late 2024, with type certification expected in late 2025 and deliveries expected to begin in 2026.
