Explanatory Note

Extraordinary General Meeting of Shareholders

On May 3, 2024, Liliium N.V. (“Liliium” or the “Company”) made available to its shareholders a convocation notice and other materials related to the Company’s extraordinary general meeting of shareholders (the “Extraordinary General Meeting”), which are furnished as Exhibits 99.1 to 99.4 to this Report on Form 6-K. The Extraordinary General Meeting is expected to be held on Thursday, May 30, 2024, at 2:00 p.m. CEST (8:00 a.m. EDT) at the offices of Freshfields Bruckhaus Deringer LLP, Strawinskylaan 10, 1077 XZ Amsterdam, the Netherlands.

Standby Equity Purchase Agreement

On May 3, 2024, the Company entered into a Standby Equity Purchase Agreement (the “SEPA”) with YA II PN, Ltd. (“Yorkville”). Pursuant to the SEPA, assuming satisfaction of certain conditions and subject to the limitations set forth in the SEPA, the Company has the right from time to time, but not the obligation, to issue and sell to Yorkville up to \$150.0 million (the “Commitment Amount”) of its class A ordinary shares, nominal value €0.01 per share (the “Ordinary Shares” and, such Ordinary Shares comprising the Commitment Amount together with Ordinary Shares issued to Yorkville in satisfaction of an upfront commitment fee, the “SEPA Shares”) until the earlier of May 3, 2027 or the date on which the facility has been fully utilized or otherwise terminated in accordance with its terms.

Pursuant to the terms of the SEPA, the Company may require Yorkville to purchase Ordinary Shares under the SEPA (an “Advance”) by delivering a written request for such sale (an “Advance Notice”) to Yorkville. While there is no mandatory minimum amount for any Advance, an Advance may not exceed such amount as is equal to 100% of the average daily trading volume of the Company’s Ordinary Shares during the five Trading Days immediately prior to the date the Company requests an Advance. Each Advance is subject to certain limitations, including that Yorkville cannot purchase any Ordinary Shares that would result in it beneficially owning more than 9.99% of the Company’s then outstanding voting power or the number of Ordinary Shares outstanding at the time of an Advance. The timing, frequency, and price at which the Company issues Ordinary Shares are subject to market prices and management’s decision (if any) to sell Ordinary Shares.

Pursuant to the SEPA, the Company also agreed to pay Yorkville a commitment fee of 1,000,000 Ordinary Shares (the “Commitment Fee”) and has paid to Yorkville a structuring fee in the amount of \$25,000.

The Company is not obligated to utilize any of the \$150.0 million available under the SEPA and there are no minimum commitments or minimum use penalties. The total amount of funds that ultimately can be raised under the SEPA over the three-year term will depend on the market price for the Ordinary Shares and the number of Ordinary Shares actually sold. The SEPA does not impose any restrictions on the Company’s operating activities.

Pursuant to the SEPA, the Company is required to register the SEPA Shares eligible to be resold pursuant to the SEPA. The Company, in its sole discretion, may choose when to file a registration statement registering the SEPA Shares for resale by Yorkville; provided, however, the Company will not be able to request any Advances until the registration statement becomes effective.

The offer and sale of the SEPA Shares to be issued pursuant to the SEPA are exempt from the registration requirements of the Securities Act of 1933, as amended, pursuant to Section 4(a)(2) thereof. This Report on Form 6-K shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the SEPA Shares in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

The description of the SEPA set forth above is qualified in its entirety by reference to the full text of that document, which is attached hereto as Exhibit 99.5.

Article II. Advances

Section 2.01 Advances; Mechanics. Upon the terms and subject to the conditions of this Agreement, during the Commitment Period, the Company, at its sole discretion, shall have the right, but not the obligation, to issue and sell to the Investor, and the Investor shall purchase from the Company, Advance Shares by the delivery to the Investor of Advance Notices on the following terms:

- (a) Advance Notice. At any time during the Commitment Period the Company may require the Investor to purchase Advance Shares by delivering an Advance Notice to the Investor, subject to the satisfaction or waiver by the Investor of the conditions set forth in Section 7.01, and in accordance with the following provisions:
 - (i) The Company shall, in its sole discretion, select the number of Advance Shares, not to exceed the Maximum Advance Amount, it desires to issue and sell to the Investor in each Advance Notice, the time it desires to deliver each Advance Notice, and the Pricing Period to be used.
 - (ii) There shall be no mandatory minimum Advances and no non-usages fee for not utilizing the Commitment Amount or any part thereof.
- (b) Date of Delivery of Advance Notice. Advance Notices shall be delivered in accordance with the instructions set forth on the bottom of Exhibit A attached hereto. An Advance Notice selecting an Option 1 Pricing Period shall only be delivered on a Trading Day and shall be deemed delivered on the day such notice is received by e-mail. An Advance Notice selecting an Option 2 Pricing Period shall be deemed delivered on (i) the day it is received by the Investor if such notice is received by e-mail at or before 9:00 a.m. New York City time (or at such later time if agreed to by the Investor in its sole discretion), or (ii) the immediately succeeding day if it is received by e-mail after 9:00 a.m. New York City time. Upon receipt of an Advance Notice, the Investor shall promptly (and, with respect to an Advance Notice selecting an Option 1 Pricing Period, in no event more than one-half hour after receipt) provide written confirmation (which may be by e-mail) of receipt of such Advance Notice, and which confirmation, in the case of an Advance Notice selecting an Option 1 Pricing Period, shall specify the commencement time of the Option 1 Pricing Period.

(c) Advance Limitations. Regardless of the number of Advance Shares requested by the Company in the Advance Notice, the final number of Shares to be issued and sold pursuant to an Advance Notice shall be reduced (if at all) in accordance with each of the following limitations:

- (i) Ownership Limitation; Commitment Amount. At the request of the Company, the Investor shall inform the Company of the number of shares the Investor beneficially owns. Notwithstanding anything to the contrary contained in this Agreement, the Investor shall not be obligated to purchase or acquire, and shall not purchase or acquire, any Ordinary Shares under this Agreement which, when aggregated with all other Ordinary Shares beneficially owned by the Investor and its Affiliates (as calculated pursuant to Section 13(d) of the Exchange Act and Rule 13d-3 promulgated thereunder), would result in the beneficial ownership by the Investor and its Affiliates (on an aggregated basis) to exceed 9.99% of the then outstanding voting power or number of Ordinary Shares (the "Ownership Limitation"). Upon the written request of the Investor, the Company shall promptly (but no later than the next business day on which the transfer agent for the Ordinary Shares is open for business) confirm orally or in writing to the Investor the number of Ordinary Shares then outstanding. In connection with each Advance Notice delivered by the Company, any portion of the Advance that would (i) cause the Investor to exceed the Ownership Limitation or (ii) cause the aggregate number of Shares issued and sold to the Investor hereunder to exceed the Commitment Amount shall automatically be withdrawn with no further action required by the Company, and such Advance Notice shall be deemed automatically modified to reduce the number of Advance Shares requested by an amount equal to such withdrawn portion; provided that in the event of any such automatic withdrawal and automatic modification, the Investor will promptly notify the Company of such event.
- (ii) Registration Limitation. In no event shall an Advance exceed the amount of Ordinary Shares registered in respect of the transactions contemplated hereby under the Registration Statement then in effect (the "Registration Limitation"). In connection with each Advance Notice, any portion of an Advance that would exceed the Registration Limitation shall automatically be withdrawn with no further action required by the Company and such Advance Notice shall be deemed automatically modified to reduce the aggregate amount of the requested Advance by an amount equal to such withdrawn portion; provided that in the event of any such automatic withdrawal and automatic modification, the Investor will promptly notify the Company of such event.
- (iii) RESERVED.

- (iv) Limitations on Advance Shares. In no event shall the Company or the Investor cause or request the offer and sale of any Advance Shares if, after giving effect to the sale of such Advance Shares, the aggregate number of Advance Shares sold pursuant to this Agreement would exceed (i) the number of Ordinary Shares that remain available for issuance under the authorized share capital (*maatschappelijk kapitaal*) of the Company or otherwise reserved from the Company's authorized share capital, or (ii) the number of Ordinary Shares that the Company's board of directors is authorized to issue and sell from time to time in accordance with the Company's articles of association and applicable Dutch law. Under no circumstances shall the Company be obliged to issue any Advance Shares pursuant to this Agreement at a price lower than the nominal value per Ordinary Share. No fractional shares shall be issued, and any fractional amounts shall be rounded to the next higher whole number of shares.
- (v) Volume Threshold. With respect to each Advance Notice selecting an Option 1 Pricing Period, if the total number of Ordinary Shares traded on the Principal Market during the applicable Pricing Period is less than the Volume Threshold, then the number of Advance Shares issued and sold pursuant to such Advance Notice shall be reduced to the greater of (a) 30% of the trading volume of the Ordinary Shares on the Principal Market during such Pricing Period as reported by Bloomberg L.P., or (b) the number of Ordinary Shares sold by the Investor during such Pricing Period, but in each case not to exceed the amount requested in the Advance Notice.
- (d) Minimum Acceptable Price.
- (i) With respect to each Advance Notice selecting an Option 2 Pricing Period, the Company may notify the Investor of the MAP with respect to such Advance by indicating a MAP on such Advance Notice. If no MAP is specified in an Advance Notice, then no MAP shall be in effect in connection with such Advance. Each Trading Day during an Option 2 Pricing Period for which (A) with respect to each Advance Notice with a MAP, the VWAP of the Ordinary Shares is below the MAP in effect with respect to such Advance Notice, (B) there is no VWAP or (C) the VWAP of the Ordinary Shares is such that the Purchase Price would be below the nominal value of one Ordinary Share (each such day, an "Excluded Day"), shall result in an automatic reduction to the number of Advance Shares set forth in such Advance Notice by one-third (the resulting amount of each Advance being the "Adjusted Advance Amount"), and each Excluded Day shall be excluded from the Option 2 Pricing Period for purposes of determining the Market Price.
- (ii) The total Advance Shares in respect of each Advance with any Excluded Day(s) (after reductions have been made to arrive at the Adjusted Advance Amount) shall be increased by such number of Ordinary Shares (the "Additional Shares") equal to the greater of (a) the number of Ordinary Shares sold by the Investor on such Excluded Day(s), if any, or (b) such number of Ordinary Shares elected to be subscribed for by the Investor, and the price paid per share for each Additional Share shall be equal to the MAP in effect with respect to such Advance Notice multiplied by 97%, provided that this increase shall not cause the total Advance Shares to exceed the amount set forth in the original Advance Notice or any limitations set forth in Section 2.01(c).

- (e) Unconditional Contract. Notwithstanding any other provision in this Agreement, the Company and the Investor acknowledge and agree that upon the Investor's receipt of a valid Advance Notice from the Company the parties shall be deemed to have entered into an unconditional contract binding on both parties for the purchase and sale of Advance Shares pursuant to such Advance Notice in accordance with the terms of this Agreement and (i) subject to Applicable Laws and (ii) subject to Section 3.08, the Investor may sell Ordinary Shares during the Pricing Period.

Section 2.02 Closings. The closing of each Advance and each sale and purchase of Advance Shares (each, a "Closing") shall take place as soon as practicable on or after each Advance Date in accordance with the procedures set forth below. The parties acknowledge that the Purchase Price is not known at the time the Advance Notice is delivered (at which time the Investor is irrevocably bound) but shall be determined on each Closing based on the daily prices of the Ordinary Shares that are the inputs to the determination of the Purchase Price as set forth further below (provided that the Purchase Price must always be such that sales of Advance Shares cannot result in aggregate Purchase Price of the Advance Shares being less than the aggregate nominal value of those Advance Shares). In connection with each Closing, the Company and the Investor shall fulfill each of its obligations as set forth below:

- (a) On each Advance Date, the Investor shall deliver to the Company a written document, in the form attached hereto as Exhibit B (each a "Settlement Document"), setting forth the final number of Shares to be purchased by the Investor (taking into account any adjustments pursuant to Section 2.01), the Market Price, the Purchase Price, the aggregate proceeds to be paid by the Investor to the Company, and a report by Bloomberg, L.P. indicating the VWAP for each of the Trading Days during the Pricing Period (or, if not reported on Bloomberg, L.P., another reporting service reasonably agreed to by the parties), in each case in accordance with the terms and conditions of this Agreement.
- (b) Promptly after receipt of the Settlement Document with respect to each Advance (and, in any event, not later than one Trading Day after such receipt), the Investor shall pay to the Company the aggregate purchase price of the Shares (as set forth in the Settlement Document) in cash in immediately available funds to an account designated by the Company in writing and transmit notification to the Company that such funds transfer has been requested. Promptly upon receipt of the aggregate purchase price of the Shares (as set forth in the Settlement Document) and receipt by the Company of a statement from an EU licensed bank (or a branch thereof) confirming the EUR equivalent of the aggregate Purchase Price (in USD) of the Advance Shares, is at least equal to the aggregate nominal value in EUR of the Advance Shares, the Company will, or will cause its transfer agent, in accordance with an instruction notice on behalf of the Company to its transfer agent relating to the issuance and delivery of the Advance Shares, to electronically transfer such number of Advance Shares to be purchased by the Investor (as set forth in the Settlement Document) by crediting the Investor's account or its designee's account at the Depository Trust Company through its Deposit Withdrawal at Custodian System or by such other means of delivery as may be mutually agreed upon by the parties hereto, and transmit notification to the Investor that such share transfer has been requested. No fractional shares shall be issued, and any fractional amounts shall be rounded to the next higher whole number of shares. The Company will arrange, at its own costs, for any third-party (bank- or auditor) declaration, filings and registrations prescribed by Applicable Laws. To facilitate the transfer of the Ordinary Shares by the Investor, the Ordinary Shares will not bear any restrictive legends so long as there is an effective Registration Statement covering the resale of such Ordinary Shares (it being understood and agreed by the Investor that notwithstanding the lack of restrictive legends, the Investor may only sell such Ordinary Shares pursuant to the Plan of Distribution set forth in the Prospectus included in the Registration Statement and otherwise in compliance with the requirements of the Securities Act (including any applicable prospectus delivery requirements) or pursuant to an available exemption).

- (c) On or prior to the Advance Date, each of the Company and the Investor shall deliver to the other all documents, instruments and writings expressly required to be delivered by either of them pursuant to this Agreement in order to implement and effect the transactions contemplated herein.
- (d) On or prior to the first Closing, the Investor shall deliver to the Company a duly executed IRS Form W-8BEN-E, IRS Form W-8IMY (with all relevant attachments), or other applicable IRS Form W-8 or W-9, and any other similar tax documentation or information reasonably requested by the Company. Investor shall update any such form or certification (or any applicable successor form) or information promptly upon the obsolescence or invalidity of any form previously delivered by such Investor or at the reasonable request of the Company.
- (e) Notwithstanding anything to the contrary in this Agreement, if on any day during the Pricing Period (i) the Company notifies Investor that a Material Outside Event has occurred, or (ii) the Company notifies the Investor of a Black Out Period, the parties agree that any pending Advance shall end and the final number of Advance Shares to be purchased by the Investor at the Closing for such Advance shall be equal to the number of Ordinary Shares sold by the Investor during the applicable Pricing Period prior to the notification from the Company of a Material Outside Event or Black Out Period.

Section 2.03 Hardship.

- (a) In the event the Investor sells Ordinary Shares after receipt of an Advance Notice and the Company fails to perform its obligations as mandated in Section 2.02, the Company agrees that in addition to and in no way limiting the rights and obligations set forth in Article V hereto and in addition to any other remedy to which the Investor is entitled at law or in equity, including, without limitation, specific performance, it will hold the Investor harmless against any loss, claim, damage, or expense (including reasonable legal fees and expenses), as incurred, arising out of or in connection with such default by the Company and acknowledges that irreparable damage may occur in the event of any such default; provided that the Investor has complied with all of its obligations hereunder. It is accordingly agreed that the Investor shall be entitled to an injunction or injunctions to prevent such breaches of this Agreement and to specifically enforce (subject to Applicable Laws and the rules of the Principal Market), without the posting of a bond or other security, the terms and provisions of this Agreement.

- (b) In the event the Company provides an Advance Notice and the Investor fails to perform its obligations as mandated in Section 2.02, the Investor agrees that in addition to and in no way limiting the rights and obligations set forth in Article V hereto and in addition to any other remedy to which the Company is entitled at law or in equity, including, without limitation, specific performance, it will hold the Company harmless against any loss, claim, damage, or expense (including reasonable legal fees and expenses), as incurred, arising out of or in connection with such default by the Investor and acknowledges that irreparable damage may occur in the event of any such default. It is accordingly agreed that the Company shall be entitled to an injunction or injunctions to prevent such breaches of this Agreement and to specifically enforce (subject to the Securities Act and other rules of the Principal Market), without the posting of a bond or other security, the terms and provisions of this Agreement.

Section 2.04 Home Country Practice. Prior to the date hereof, the Company has taken all actions required pursuant to Nasdaq Rule 5615(a)(3) to duly and validly rely on the exemption for foreign private issuers from applicable rules and regulations of the Nasdaq by adopting the home country practice (the "Home Country Practice") in connection with the transactions contemplated hereunder (including an exemption from any Nasdaq rules that would otherwise require seeking shareholder approval in respect of such transactions). The Company may issue the relevant Ordinary Shares upon any Advances hereunder without regard to the limitations imposed by Nasdaq Rule 5635(d). During the Commitment Period the Company shall comply with the Home Country Practice rules and shall not take any action to change its Home Country Practice or become subject to Nasdaq Rule 5635(d) with respect to transactions contemplated herein. The Company's practices in connection with the transactions contemplated hereunder are not prohibited by its home country's laws.

Section 2.05 Pre-Paid Advances. Subject to the mutual consent of the parties, the Investor shall advance to the Company the principal amount of \$40,000,000 (the "Pre-Paid Advance") within 45 days of the Effective Date on terms as may be agreed upon by the parties. Subject to the mutual consent of the parties, after the 45th day following the Effective Date, as long as no Pre-Paid Advance is outstanding, the Investor shall advance to the Company the principal amount of up to \$40,000,000, which can be made from time to time, in whole or in part, at such time and on such terms as both parties agree.

Section 2.06 Completion of Resale Pursuant to the Registration Statement. After the Investor has purchased the full Commitment Amount and has completed the subsequent resale of the full Commitment Amount pursuant to the Registration Statement, Investor will notify the Company in writing (which may be by e-mail) that all subsequent resales are completed and the Company will be under no further obligation to maintain the effectiveness of the Registration Statement.

Article III. Representations and Warranties of the Investor

The Investor does not presently have any agreement or understanding, directly or indirectly, with any Person to sell or distribute any of the Shares. The Investor acknowledges that it will be disclosed as an "underwriter" and a "selling stockholder" in each Registration Statement and in any Prospectus contained therein to the extent required by Applicable Laws and to the extent the Prospectus is related to the resale of Registrable Securities.

The Investor acknowledges and agrees that the Company has not made to the Investor, and the Investor acknowledges and agrees it has not relied upon, any representations and warranties of the Company, its employees or any third party other than the representations and warranties of the Company contained in this Agreement. The Investor understands that its investment involves a high degree of risk. The Investor has sought such accounting, legal and tax advice, as it has considered necessary to make an informed investment decision with respect to the transactions contemplated hereby.

Section 3.07 Not an Affiliate. The Investor is not an officer, director or a person that directly, or indirectly through one or more intermediaries, controls or is controlled by, or is under common control with the Company or any “Affiliate” of the Company (as that term is defined in Rule 405 promulgated under the Securities Act).

Section 3.08 No Prior Short Sales. At no time prior to the date of this Agreement has the Investor, its sole member, any of their respective officers, or any entity managed or controlled by the Investor or its sole member, engaged in or effected, in any manner whatsoever, directly or indirectly, for its own principal account, any (i) “short sale” (as such term is defined in Rule 200 of Regulation SHO of the Exchange Act) of the Ordinary Shares or (ii) hedging transaction, in either case which establishes a net short position with respect to the Ordinary Shares that remains in effect as of the date of this Agreement.

Section 3.11 No Governmental Review. The Investor understands that no United States federal or state agency or any other government or governmental agency has passed on or made any recommendation or endorsement of the Shares or the fairness or suitability of the investment in the Shares nor have such authorities passes upon or endorsed the merits of the offering of the Shares.

Section 3.12 Resale of Shares. The Company and each of its Subsidiaries is duly qualified to do business and is in good standing (or the equivalent concept in the jurisdictions where this is a known legal concept) in every jurisdiction in which the nature of the business conducted by it makes such qualification necessary, except to the extent that the failure to be so qualified or be in good standing would not have a Material Adverse Effect.

Section 4.02 Authorization, Enforcement, Compliance with Other Instruments. The Company has the requisite corporate power and authority to enter into and perform its obligations under this Agreement and the other Transaction Documents and to issue the Shares in accordance with the terms hereof and thereof. The execution and delivery by the Company of this Agreement and the other Transaction Documents, and the consummation by the Company of the transactions contemplated hereby and thereby (including, without limitation, the issuance of the Ordinary Shares) have been or (with respect to consummation) will be duly authorized by the Company's board of directors (or committee thereof) and no further consent or authorization will be required by the Company, its board of directors or its shareholders. This Agreement and the other Transaction Documents to which the Company is a party have been (or, when executed and delivered, will be) duly executed and delivered by the Company and, assuming the execution and delivery thereof and acceptance by the Investor, constitute (or, when duly executed and delivered, will be) the legal, valid and binding obligations of the Company, enforceable against the Company in accordance with their respective terms, except as such enforceability may be limited by general principles of equity or applicable bankruptcy, insolvency, reorganization, moratorium, liquidation or other laws relating to, or affecting generally, the enforcement of applicable creditors' rights and remedies and except as rights to indemnification and to contribution may be limited by federal or state securities law. The Shares, when issued, will conform to the description thereof set forth in or incorporated into the Prospectus.

Section 4.04 No Conflict. The execution, delivery and performance of the Transaction Documents by the Company and the consummation by the Company of the transactions contemplated hereby and thereby (including, without limitation, the issuance of the Ordinary Shares) will not (i) result in a violation of the articles of incorporation or other organizational documents of the Company or its Subsidiaries (with respect to consummation, as the same may be amended prior to the date on which any of the transactions contemplated hereby are consummated), (ii) conflict with, or constitute a default (or an event which with notice or lapse of time or both would become a default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, any agreement, indenture or instrument to which the Company or its Subsidiaries is a party, or (iii) result in a violation of any law, rule, regulation, order, judgment or decree (including federal and state securities laws and regulations) applicable to the Company or its Subsidiaries or by which any property or asset of the Company or its Subsidiaries is bound or affected except, in the case of clause (ii) or (iii) above, to the extent such violations that would not reasonably be expected to have a Material Adverse Effect.

Section 4.05 SEC Documents; Financial Statements. Since May 1, 2022, the Company has timely filed (giving effect to permissible extensions in accordance with Rule 12b-25 under the Exchange Act) all reports, schedules, forms, statements and other documents required to be filed by it with the SEC pursuant to the Exchange Act (all such documents hereinafter referred to as the “SEC Documents”). The Company has delivered or made available to the Investor through the SEC’s website at <http://www.sec.gov>, true and complete copies of the SEC Documents, as applicable. Except as disclosed in amendments or subsequent filings to the SEC Documents, as of its filing date (or, if amended or superseded by a filing prior to the date hereof, on the date of such amended or superseded filing), each of the SEC Documents complied in all material respects with the requirements of the Exchange Act or the Securities Act, as applicable, and the rules and regulations of the SEC promulgated thereunder applicable to the SEC Documents, and did not contain any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

Each Registration Statement and the offer and sale of Shares as contemplated hereby, if and when filed, will meet the requirements of Rule 415 under the Securities Act and comply in all material respects with said rule. Any statutes, regulations, contracts or other documents that are required to be described in a Registration Statement or a Prospectus, or any amendment or supplement thereto, or to be filed as exhibits to a Registration Statement have been so described or filed. Copies of each Registration Statement, any Prospectus, and any such amendments or supplements thereto and all documents incorporated by reference therein that were filed with the SEC on or prior to the date of this Agreement have been delivered, or are available through EDGAR, to the Investor and its counsel. The Company has not distributed and, prior to the later to occur of each Advance Date and completion of the distribution of the Shares, will not distribute any offering material in connection with the offering or sale of the Shares other than a Registration Statement, Prospectus contained therein, and each other prospectus supplement.

The term "Environmental Laws" means all applicable federal, state and local laws relating to pollution or protection of human health or the environment (including, without limitation, ambient air, surface water, groundwater, land surface or subsurface strata), including, without limitation, laws relating to emissions, discharges, releases or threatened releases of chemicals, pollutants, contaminants, or toxic or hazardous substances or wastes (collectively, "Hazardous Materials") into the environment, or otherwise relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of Hazardous Materials, as well as all authorizations, codes, decrees, demands or demand letters, injunctions, judgments, licenses, notices or notice letters, orders, permits, plans or regulations issued, entered, promulgated or approved thereunder.

The Company further acknowledges that the Investor is not acting as a financial advisor or fiduciary of the Company (or in any similar capacity) with respect to this Agreement and the transactions contemplated hereunder and any advice given by the Investor or any of its representatives or agents in connection with this Agreement and the transactions contemplated hereunder is merely incidental to the Investor's purchase of the Shares hereunder. The Company is aware and acknowledges and agrees that it shall not be able to request Advances under this Agreement if a Registration Statement is not effective or if any issuances of Ordinary Shares pursuant to any Advances would violate any Applicable Law or any rules of the Principal Market. The Company acknowledges and agrees that it is capable of evaluating and understanding, and understands and accepts, the terms, risks and conditions of the transactions contemplated by this Agreement.

To the extent that the foregoing undertaking by the Company may be unenforceable under Applicable Laws, the Company shall make the maximum contribution to the payment and satisfaction of each of the Indemnified Liabilities, which is permissible under Applicable Laws.

Section 5.02 Indemnification by the Investor. In consideration of the Company's execution and delivery of this Agreement, and in addition to all of the Investor's other obligations under this Agreement, the Investor shall defend, protect, indemnify and hold harmless the Company, its Subsidiaries and all of its and their officers, directors, shareholders, employees and agents (including, without limitation, those retained in connection with the transactions contemplated by this Agreement) and each person who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act (collectively, the "Company Indemnitees") from and against any and all Indemnified Liabilities incurred by the Company Indemnitees or any of them as a result of, or arising out of, or relating to (a) any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement for the registration of the Shares as originally filed or in any amendment thereof, or in any related prospectus, or in any amendment thereof or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading; provided, however, that the Investor will only be liable for written information relating to the Investor furnished to the Company by or on behalf of the Investor specifically for inclusion in the documents referred to in the foregoing indemnity, and will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Investor by or on behalf of the Company specifically for inclusion therein; (b) any misrepresentation or breach of any representation or warranty made by the Investor in this Agreement or any instrument or document contemplated hereby or thereby executed by the Investor; or (c) any breach of any covenant, agreement or obligation of the Investor contained in this Agreement or any other certificate, instrument or document contemplated hereby or thereby executed by the Investor. Promptly after receipt by an Investor Indemnitee or Company Indemnitee of notice of the commencement of any action or proceeding (including any governmental action or proceeding) involving an Indemnified Liability, such Investor Indemnitee or Company Indemnitee, as applicable, shall, if a claim for an Indemnified Liability in respect thereof is to be made against any indemnifying party under this Article V, deliver to the indemnifying party a written notice of the commencement thereof; but the failure to so notify the indemnifying party will not relieve it of liability under this Article V except to the extent the indemnifying party is prejudiced by such failure. The indemnifying party shall have the right to participate in, and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume control of the defense thereof with counsel mutually reasonably satisfactory to the indemnifying party and the Investor Indemnitee or Company Indemnitee, as the case may be; provided, however, that an Investor Indemnitee or Company Indemnitee shall have the right to retain its own counsel with the actual and reasonable third party fees and expenses of not more than one counsel for such Investor Indemnitee or Company Indemnitee to be paid by the indemnifying party, if, in the reasonable opinion of counsel retained by the indemnifying party, the representation by such counsel of the Investor Indemnitee or Company Indemnitee and the indemnifying party would be inappropriate due to actual or potential differing interests between such Investor Indemnitee or Company Indemnitee and any other party represented by such counsel in such proceeding. The Investor Indemnitee or Company Indemnitee shall cooperate fully with the indemnifying party in connection with any negotiation or defense of any such action or claim by the indemnifying party and shall furnish to the indemnifying party all information reasonably available to the Investor Indemnitee or Company Indemnitee which relates to such action or claim. The indemnifying party shall keep the Investor Indemnitee or Company Indemnitee reasonably apprised as to the status of the defense or any settlement negotiations with respect thereto. No indemnifying party shall be liable for any settlement of any action, claim or proceeding effected without its prior written consent, provided, however, that the indemnifying party shall not unreasonably withhold, delay or condition its consent. No indemnifying party shall, without the prior written consent of the Investor Indemnitee or Company Indemnitee, consent to entry of any judgment or enter into any settlement or other compromise which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Investor Indemnitee or Company Indemnitee of a release from all liability in respect to such claim or litigation. Following indemnification as provided for hereunder, the indemnifying party shall be subrogated to all rights of the Investor Indemnitee or Company Indemnitee with respect to all third parties, firms or corporations relating to the matter for which indemnification has been made. The indemnification required by this Article V shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received and payment therefor is due.

Section 5.04 Remedies. The remedies provided for in this Article V are not exclusive and shall not limit any right or remedy which may be available to any indemnified person at law or equity. The obligations of the parties to indemnify or make contribution under this Article V shall survive expiration or termination of this Agreement.

Section 5.05 Limitation of liability. Notwithstanding the foregoing, no party shall be entitled to recover from the other party for punitive, indirect, incidental or consequential damages.

Section 6.09 Consolidation. If an Advance Notice has been delivered to the Investor, then the Company shall not effect any consolidation of the Company with or into, or a transfer of all or substantially all the assets of the Company to another entity before the transaction contemplated in such Advance Notice has been closed in accordance with Section 2.02 hereof, and all Shares in connection with such Advance have been received by the Investor.

Section 6.10 Issuance of the Company's Ordinary Shares. The issuance and sale of the Ordinary Shares hereunder shall be made in accordance with the provisions and requirements of Section 4(a)(2) of the Securities Act and any applicable state securities law.

From and after the filing of the Current Report with the SEC, the Company shall have publicly disclosed all material, non-public information delivered to the Investor (or the Investor's representatives or agents) by the Company or any of its Subsidiaries, or any of their respective officers, directors, employees, agents or representatives (if any) in connection with the transactions contemplated by the Transaction Documents. The Company shall not, and the Company shall cause each of its Subsidiaries and each of its and their respective officers, directors, employees and agents not to, provide the Investor with any material, non-public information regarding the Company or any of its Subsidiaries without the express prior written consent of the Investor (which may be granted or withheld in the Investor's sole discretion); it being understood that the mere notification of Investor required pursuant to clause (iv) of Section 6.08 shall not in and of itself be deemed to be material, non-public information. Notwithstanding anything contained in this Agreement to the contrary, the Company expressly agrees that it shall publicly disclose in the Current Report or otherwise make publicly available any information communicated to the Investor by or, to the knowledge of the Company, on behalf of the Company in connection with the transactions contemplated herein, which, following the Effective Date hereof would, if not so disclosed, constitute material, non-public information regarding the Company or its Subsidiaries. The Company understands and confirms that the Investor will rely on the foregoing representations in effecting resales of Shares under a Registration Statement. In addition, effective upon the filing of the Current Report, the Company acknowledges and agrees that any and all confidentiality or similar obligations with respect to the transactions contemplated by the Transaction Documents under any agreement, whether written or oral, between the Company, any of its Subsidiaries or any of their respective officers, directors, Affiliates, employees or agents, on the one hand, and Investor or any of its respective officers, directors, Affiliates, employees or agents, on the other hand, shall terminate.

Section 6.13 Use of Proceeds. The proceeds from the sale of the Shares by the Company to Investor shall be used by the Company in the manner as will be set forth in the Prospectus included in any Registration Statement (and any post-effective amendment thereto) and any Prospectus Supplement thereto filed pursuant to this Agreement. Neither the Company nor any Subsidiary will, directly or indirectly, use the proceeds of the transactions contemplated herein, or lend, contribute, facilitate or otherwise make available such proceeds to any Person (i) to fund, either directly or indirectly, any activities or business of or with any Person that is identified on the list of Specially Designated Nationals and Blocker Persons maintained by OFAC, or in any country or territory, that, at the time of such funding, is, or whose government is, the subject of Sanctions or Sanctions Programs, or (ii) in any other manner that will result in a violation of Sanctions or Applicable Laws.

Section 6.14 Compliance with Laws. The Company shall comply in all material respects with all Applicable Laws.

Section 6.15 Market Activities. Neither the Company, nor any Subsidiary, nor any of their respective officers, directors or controlling persons will, directly or indirectly, (i) take any action designed to cause or result in, or that constitutes or might reasonably be expected to constitute or result, in the stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of Ordinary Shares or (ii) sell, bid for, or purchase Ordinary Shares in violation of Regulation M, or pay anyone any compensation for soliciting purchases of the Shares.

Section 6.16 Trading Information. On the first Trading Day of each week (provided the Investor sold any Shares during the prior week) and otherwise upon the Company's reasonable request, the Investor agrees to provide the Company with trading reports setting forth the number and average sales prices of shares of Ordinary Shares sold by the Investor during the prior trading week.

Section 6.17 Selling Restrictions. (i) Except as expressly set forth below, the Investor covenants that from and after the date hereof through and including the Trading Day next following the expiration or termination of this Agreement as provided in Section 10.01 (the “Restricted Period”), none of the Investor, any of its officers, or any entity managed or controlled by the Investor (collectively, the “Restricted Persons” and each of the foregoing is referred to herein as a “Restricted Person”) shall, directly or indirectly, engage in any “short sale” (as such term is defined in Rule 200 of Regulation SHO of the Exchange Act) of the Ordinary Shares, either for its own principal account or for the principal account of any other Restricted Person. Notwithstanding the foregoing, it is expressly understood and agreed that nothing contained herein shall (without implication that the contrary would otherwise be true) prohibit any Restricted Person during the Restricted Period from: (1) selling “long” (as defined under Rule 200 promulgated under Regulation SHO) the Shares; or (2) selling a number of Ordinary Shares equal to the number of Advance Shares that such Restricted Person is unconditionally obligated to purchase under a pending Advance Notice but has not yet received from the Company or the transfer agent pursuant to this Agreement.

Section 6.18 Assignment. This Agreement shall be binding upon and shall inure to the benefit of the parties and their respective successors and permitted assigns. Except with respect to an assignment by the Investor to an affiliate, no Party shall have any power or any right to assign or transfer, in whole or in part, this Agreement, or any of its rights or any of its obligations hereunder, including, without limitation, any right to pursue any claim for damages pursuant to this Agreement or the transactions contemplated herein, or to pursue any claim for any breach or default of this Agreement, or any right arising from the purported assignor’s due performance of its obligations hereunder, without the prior written consent of the other Party and any such purported assignment in contravention of the provisions herein shall be null and void and of no force or effect.
